

A Petition for the Church to Arise in Prayer

Prayer 1

“Prayer must become the main focus of the church. We will not be able to continue to expect the grace of God without prayer. We will come to know that the Lord answers prayer, and we will also come to know the consequences of not praying. Prayer is soon going to become our greatest devotion because the true believers, the bondservants are going to know that He answers prayer.”
Rick Joyner

“Lord, I thank You for my church, the churches in my city, and Your worldwide Church. I ask that You would raise up a unified, praying Church at this hour. I ask that the worldwide Church would arise in powerful and effective prayer. We need Your supernatural power to defeat the attacks of the enemy in our cities. Prayer affects everything! You want to dwell in all the cities and regions of the earth. You want the atmosphere so filled with united prayer and worship that it leads to a great harvest of souls. I ask that You would invade the cities and towns in my nation with Your presence. I pray for the harvest in my city. [Pray specifically for cities and towns in your nation by name.]

I thank You that a praying Church will be so appealing to the lost. The attractiveness of its beauty, the smell of its fragrance, and the power in its prayers to heal the sick and set people free will be too good to pass up. Millions will come into the Kingdom when the Church becomes beautiful with the fragrance of the Holy Spirit. I pray that the Church worldwide would rise up in fervent, persistent, and unceasing prayer. I ask that my church [Name your church] would grow in fervent prayer. Give the members of my church and the churches in my city a heart for prayer. Help us to stop our busyness, remove ourselves from the distractions all around us, and become passionate for You and Your ways. Teach us to listen clearly to Your voice and obey Your commands. Help us to walk in unity and love.

I ask that the Church worldwide would catch fire for prayer and that Houses of Prayer will be started in every city in every nation. I pray that You would raise up forerunners who begin to pray for Houses of Prayer. I pray that one would start in my city [Name your city] and that You would strengthen prayer in my church. I ask for the strengthening of the foundation of prayer in all churches, and I praise You for what has already been accomplished in prayer. You will bring in Your glory, Your righteousness, and Your light. You are able to destroy wickedness, defeat

ungodliness, and bring salvation to those who desperately need it. You are able to purify Your Church with Your holiness.

I thank You for giving grace right now for prayer, and that Your future Church will be a grace-empowered praying Church. It will be a sincere Church that voluntarily loves You by choice without condition or reserve. It will be filled with individuals who pursue Your truth and are hungry to know You. It will be a fulfilled Church, satisfying to the hungry and powerfully changing the world through its prayers. Lord, I pray that the worldwide Church would arise in fervent prayer. In Jesus' name, amen."

"I pray that He may strengthen you with power through His Spirit in your inner being, so that Christ may dwell in your hearts through faith... Now to Him who is able to do immeasurably more than all we ask or imagine, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." (Ephesians 3:14-21).
