

A Prayer for a Revival Lifestyle

Jesus, I pray for a revival lifestyle. Help me to worship You throughout the day. I know that prayer and worship will build my faith, unlock my heart, and increase an anointing in spiritual warfare. I desire to glorify You through my prayers every day. I want to walk in a new level of power and authority. I want to connect with the Father through the power of the Spirit. Help me to be fervent in prayer just as You were when You walked this earth. I ask for Your help to increase the level of prayer in my daily life. I want to be persistent and never give up (Luke 18:1). I want to be heard because I am in reverent submission to You (Hebrews 5:7). Teach me to pray with intensity of focus before making any decisions in life. I want prayer to be my continual lifestyle and practice. Help me to seek and trust You as I pray faithfully and diligently for revival. Teach me how to model prayer to others. I seek and embrace a life of extravagant devotion to You in prayer. I make it my aim to grow in passionate prayer by Your grace. Thank You for being my example as the greatest intercessor. Thank You for teaching me through Your passionate prayer life. I choose to praise You today, and I know that thanksgiving and praise prepares the way for Your victory (Psalm 50:23). Thank You for building character in my life through the obstacles I face. I choose to count it all joy because any test of faith develops perseverance and maturity in my life (James 1:2-4).

Lord, teach me the secret of waiting patiently upon You. Help me realize that this is a key to effective prayer and revival. Quiet my active thoughts and help me abide in Your presence. I invite Your Holy Spirit to speak to me. I surrender my mind, body, and soul to You. Help me to fast and pray. I thank You that fasting and prayer humbles and chastens my soul (Psalm 35:13; 69:10, 11, 13, 30-32), and brings my body into subjection to You and Your ways (1 Corinthians 9:26-27, Galatians 5:17). I thank You that it breaks down the barriers in my carnal nature that stand in the way of Your Spirit's power (Ephesians 3:20). Examine my heart (Psalm 139:23-24) and lead me into brokenness before You (Acts 17:30b). Unclutter my spirit and focus my heart (Psalm 51:16-17). Thank You that fasting causes me to face myself without the normal escape routes, and it brings me into a deeper relationship with You (Psalm 42:1-2a). This is what I desire. I choose a fasting lifestyle, and I ask You to help me to fast with the right heart and motive. I thank You for the benefits of fasting in Isaiah 58 [You may want to read Isaiah 58:5-12]. I want to always fast the right way and for Your glory. I come before You with expectation of all that You will do in my life through fasting and prayer. I thank You for the end-times revival that You are going to bring to my nation and city. I thank You that I can live in such a time as this when You are preparing us for a mighty revival in the nations. In Jesus' name, amen.
