

Praying the Bible - The Pathway to Breakthrough

“The Bible is actually a whole book of spiritual words! The Bible will teach you the language of God so that you can effectively communicate to Him. When you speak from the Bible in your prayers, you will be led to an entirely different place in prayer - one you might’ve not thought was humanly possible, simply because the language of the Bible is so absolutely different than our own.” Wesley and Stacey Campbell

God loves to hear your voice praying His Word back to Him.

Did you know that praying the Bible out loud brings spiritual breakthrough? God’s spoken Word is much more powerful than any of us realize. We cannot live without it, for it is there where our prayers unite with God’s heart bringing tremendous rewards of breakthrough.

A few years ago we spent several months in the nation of Australia. During that time we were fascinated with learning about the kangaroos that live there. I remember eagerly looking at the cute mother kangaroo with a tiny baby peeking out of her pouch. They looked like harmless creatures, but we found out that they could be quite dangerous. A kangaroo’s main weapon is its feet. When he is angry or out to kill, he has the ability to hop so fast that he can kill another animal or person just by the kick of his foot.

He can destroy his enemy by this powerful, forceful kick.

In a similar way we have a powerful weapon - the Word of God.

We can kick the enemy and defeat him by speaking the Word of God. Praying the Bible out loud is powerful for spiritual breakthrough. Praying God’s Word with our lips is a dangerous weapon to Satan. He knows the power of the Word of God. When we went to Australia at first we were very ignorant about the kangaroo. But they understood and knew the powerful weapon they had with their feet. They could destroy their enemy with one swift kick of the

foot.

Many Christians do not realize that praying the Word out loud breaks through the enemy's defenses. It can bring destruction to his plans and victory to God's purposes. Let's not be ignorant of the power we have in the Bible. Let's learn to pray the Word of God out loud for spiritual breakthrough. When we do, the spiritual atmosphere of entire cities can change. We can make a huge impact in our neighborhoods through praying or singing God's Word out loud over it. The government of God is released through our prayers.

The Benefits of Praying the Bible

“Praying the Bible helps our prayer lives because it brings an entirely new focus to what we are praying.” Wesley and Stacey Campbell

- **We begin to pray things we have never prayed before.** Many times we are able to pray things we would never be so bold to say just because it is the Bible.
- **We are led to places in God that we would have never discovered before.** “As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts” (Isaiah 55:9).
- **We learn the language of repentance.** We find words in Scripture that help to express repentance without condemnation. See Psalm 51.
- **We receive an authority from God that we don't have in ourselves.** We have more boldness in our prayers because we know that we are praying God's Word (1 John 5:14-15).
- **We align ourselves spiritually with God.** We see things from a Biblical standpoint and not the vantage point of the world.
- **We become more passionate.** The Holy Spirit reveals the Son of God through the words of the Bible that creates more passion for Jesus.
